Capt. Slaughter stated that he had had bound fifty volumns of standard works belonging to the Library, which for the want of binding had been thrown aside as worthless.

The Board examined the work and expressed great satisfaction at the manner in which the work had been performed.

It was decided that the catalogue should be printed as soon as completed, which will be in the course of the next fe w weeks. The President, Vice President, Secretary

CONFLICT OF AUTHORITY. - The Superintendent of Police, being informed this morning that the schooner Gerty E. Morrow, which had arrived here from Savannah, had a case of yellow fever on board, accompanied by Dr. J B. Johnson, visited Smoot's wharf, where the vessel was lying, and remaining near the counting-room there, sent the Doctor to inspect the case. The doctor, accompanied by policeman Mullen, boarded the vessel, and having seen the patient, pronounced it a case of typhoid dysentery, prescribed for it, but stated that as there were some suspicious circumstances connected with it, the patient had better remain on board. Soon afterwards Dr. E.ward Stabler came to see the patient, and ordered him to be taken to the infirmary, and his order was so nearly carried out that the sick and delirious man had been put in an omnibus and had reached the door of the Infirmaty, when an officer who had been sent by the Superintendent of Police, appeared and had the patient taken back to his vessel. He was afterwards sent to the Marine Hospital in Washington.

ELECTION BET. - Two residents of the 1st Ward, weighing respectively 178 and 250 pounds, wagered a wheelbarrow ride from the tunnel to King street upon the result of the late election. As soon as the official vote is announced, the Hunton man will take his ride, but as there is a city ordinance against the thing of wheelbarrows on the side walk, and as the roadway of Fairfax street is by no means smooth, it is a mooted point whether the loser will not have the more agreeable part to play.

MARRIED. -At St. Aloyisus Church Washington, D. C., yesterday, Mr. E T. Sission, an enterprising young merchant of the county, was married to Miss Carrie Roach, one of Virginia's fairest daughters. The young couple, assisted by the bridesmaid, Miss Younger of Lynchburg, received their many friends in the evening at their home, Prospect Hill. That they may tread life's pathway in health and prosperity for many years, is the earnest wish of all who know them.

THE ELECTIONS. Further Democratic Gains.

NEW YORK, Nov. 5 .- The Times' special from Wilmington, Del., says: Complete returns from the State give Cochrane, Democrat, for Governor, 1,239 majority, and Williams, Democrat, for Congress, 1,546. The Demo-crats carry all three counties, and the Legislature will be unanimously Democratic, except

one holding over.

NEW YORK, Nov. 5.—The Times' list of Congressmen, elected in this State, gives the Democrats the 1st, 2ad, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, 13th, 14th, 15th, 23rd, and 29th districts, and the Republicans the 16th, 17th, 18th, 19th, 20th, 21st, 22nd, 24th, 25th, 26th, 27th, 28th, 30th, 31st, 32nd, and 33rd districts. In the 3rd an Independent candidate is chosen.

The Times also gives 72 Democratic and 56 Republican Assemblymen, which gives the Democrats 8 majority on joint ballot. The Tribune gives the Republicans only 51

Assemblymen. LAWRENCE, Ks., Nov. 5.-Saline county gives the Republican State ticket 50 majority; McPherson county 300 Republican majority; Ottowa county 300 Republican majority. Lincoln county has probably gone for the Reform State ticket, and elected the Democratic county ticket. Cherokee county gives the Reform ticket from 250 to 300 majority; last year it gave the Republican ticket 200 majority. Russell county gives the Republican ticket 225 majority; Chison county 300 Republican majority, and Marshall county 600 Republican majority.

KANSAS CITY, Mo., Nov. 5. - The Kansas City Times has advices from Kansas to the effeet that the Reform legislative ticket is undoubtedly elected. Returns from 18 Senatorial districts give 14 opposition to 8 Republicanan opposition gain of 10. Returns from 44 Legislative districts give 24 opposition, 18 Republican and 2 independent.

New York, Nov. 5.—The prominent Democratic candidates for the U. S. Senate in New Jersey to succeed Stockton are ex-Gov. Randelph, Hon. Jacob M. Vanatta and Hon. Robert Gilchrist.

TOPEKA. Nov. 5.-Returns thus far are meagre and are estimated for the most part and unofficial. They indicate that Phillips republican for Congress is elected by a majority of about 5 000 in the 1st district Brown republican for Congress by 2,000 in 3rd, district and Goodin reformer by a small majority, not more than 500, in the 2nd, district. The vote in the 2nd district as far as heard from shows an aggregate majority of 1649 for Goodin against 1,035 for Cobb with six counties yet to hear from. It is believed that the returns from these counties will modify the result in Cobb's favor but not enough to elect him. Osborn's majority for Governor will be about 10,000. The election excited no very great interest; not THE LAST CHANCE! more than a two thirds vote was cast.

DROTECT YOUR BUILDINGS! Which may be done with one-fourth the usual GLINES' PATENT SLATE ROOFING

PAINT. Are prepared to furnish all kinds of OYSTERS AGENTS WANTED IN EVERY TOWN. A roof may be covered with a cheap shingle, and by application of this slate be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better, and lasting

longer than new shingles without the slate, for ONE-THIRD THE COST OF RE-SHING-LING.
The expense of slating new shingles is only about the cost of simply laying them. The Paint is FIRE PROOF against sparks or flying embers, as appears from the fact that Insurance Companies make nearly the SAME TARIFF AS FOR SLATED ROOFS. For tin and iron it has no equal, as it expands by heat, contracts by cold, and never cracks nor scales. For fences it is particularly adapted, as it will not corrode in the most exposed places.

Roofs covered with Tar Sheathing Felt can be made water-tight at a small expense. The Slate EXTREMELY CHEAP! Two gallons will cover a hundred square feet of shingle roof, or over four hundred of tin or iron. Price ready for use is 80 cents per gallon. NO TAR IS USED IN THIS COMPOSITION. On decayed shingles it fills up the holes and pores, hardens them and gives a new substantial roof that will last for years. Curled or warped shingles it brings to their place and keeps them there. It fills up all holes in Tin or Felt roofs, and stops the leaks, one coat being equal to five of ordinary paint. The color of the Slate when first applied is dark purple, changing in about a

month to a light uniform slate color, and it is, TO ALL INTENTS AND PURPOSES, SLATE. The Paint has a very heavy body, but it is easily put on, and although a slow cryer, rain will not affect it in the least one hour after applying. Orders respectfully solicited. All our

Paints are mixed ready for use. NEW YORK CASH PRICE LIST. 10 lb can Glines' Roofing Cement for large holes and cracks..... 1 gal and can Slate Roof g. Pt.
